Dear Sir,

I just want say thank you to all of you for welcoming me same as in my home town club district,i cant express myself how much I m happy to meet and see you all there, I will definitely come again when and if i m around,I also would like to thank you for the banner which i received it this morning.

Yes, I certainly will bring my club districts banner with me in my next attendance,but sadly i will not be able to do that on 13th September ,2017. I also found very interesting Mr Ryan"s speech regarding Education and English speaking Union.

As i stated if i can be any help to any of you please do not hesitate to get in touch with me.

Yours in Rotary Friendship,

Canan Erbas

Hi Canan,

It was a delight to have your company at our club meeting last night-thank you so much for allowing us to have the pleasure of meeting you and as I said we sincerely hope we will see you again whenever it is convenient to do so.

As I explained we have a young person speaking to our club on Wednesday 13th September, 2017 and I think you would find the talk interesting if you are able to be with us but if that date is not suitable do contact us for a future visit. Probably best to come to see us when we have a speaker as an evening of committee meetings or Club Business meetings may not have so much appeal for you.

As we discussed lets exchange Club banners when we do eventually meet again.

Yours in Rotary Friendship,

Clive Childs,

Club President-R.C. of Wednesfield.
